- 9 am Friday, September 2, 2016 (Des Moines?)

**Agenda Items:**

**1. SBIRT Problem Gambling Pilot Update**

Monica Wilke-Brown – IDPH

Counselors are doing the pre-screens, and a couple of full screens, but have not resulted in any referrals at this time. Current discussions with National Guard include the possibility to expand use the Gambling Pre-Screen to all guard members attending PHA events. Currently the pre-screen is only done for those who screen positive for a SUD at a PHA event.

### 5. Provider Updates

Agency	Updates
ADDS	No Report
CFR	No clients currently, some Bets of Calls have come inn
Compass Pointe	No Report
EFR	No Report
Heartland	Conducted meeting with local casino with self-exclusion requests, including conversation starters with patrons looking to ban themselves.
Jackson	Met with both casinos. Looking to possibly schedule time to publicize that staff would be available at the casinos for questions for patrons and employees. Increase in referrals in the past month and calls from Bets Off and working on internal process to make calls are logged correctly.
Prelude	Working on warm hand offs. Working with Bass Pro Shop to do a table for problem gambling awareness in February.
PGRS	No Report
Pathways	Concentrating on increasing number of referrals working with local businesses (pawn shops). Will be following up with the Isle on brochures/cards.
Prairie Ridge	No Report
SASC	Working the holiday campaign, don't keep under wraps, responsible gifting.
ISU/Help Line	No Report
UNI	No Report

### 6. Recovery

- New site launches on December 7<sup>th</sup>. IGTP funded programs that are not participating in IRHIT will lose access to their sites (ADDS, Compass Pointe, Jackson, Prelude, Prairie Ridge, PGRS). Cost is \$100 per month (unlimited users/clients). Contact Eric Preuss if

you'd like to continue to have access to Recovery. IDPH needs to determine funding methodology for SFY 2017 and beyond.

## 7. Roundtable Discussion Topics/Questions

- What are agencies doing for Environmental Services
    - HFS and JRC work with local employers, use of the new Work Place Took Kit. Also monitoring legislation. School Policy Work Group is also working on a tool kit for implementing school policies. Reaching out to other licensed SUD programs, policy procedure, and problem gambling screening.
    - Do we list on IGTP website examples of successful prevention strategy activities?
  - I-SMART Questions (SASC/Pathways):
    - Problem Gambling Domain and Licensure Clinical Standards
    - How are programs using the Treatment Plan/ASAM?
      - ASAM is listed in Licensure Standards for SUD/PG
      - Some programs are using the ASAM, licensure for PG, gives credit for use of ASAM, but marks NA for programs not using it, based that there is not a current “template” standards/criteria developed on an ASAM for PG.
        - Bob encourages programs to have admission and discharge criteria for outpatient level of care.
        - Dr. Mee-Lee’s Presentation Notes are below regarding integration of ASAM and PG “Getting Real about Gambling Disorder: How The ASAM Criteria Can Help”
- 

Getting Real about  
Gambling Disorder - H
- - How many programs are using the ASAM in I-SMART
      - SASC is not, only as data entry tool.
      - Bob thinks about 2/3rds are using I-SMART, and maybe ½ are using Tx Plan.
    - ADDS may be using Tx Plan/ASAM – not on call today.
  - I-SMART
    - WI 22291 – Gambling and SA Crisis
      - Still waiting on the fix that allows the Crisis Encounter to be entered if a Crisis is completed regardless of the status of any PS or ADM that has been
    - Coming Release 18.1
      - Release 18.1 is now live in TRAIN.
        - Eric asked/encouraged programs to complete a walk through of each screen and report any bugs/issues found.
        - OCIO will be doing penetration testing for security and other like vulnerabilities.

Architecture User Gui

- 30 Day Follow-up
  - Streamlined to reduce number of questions and show only the screens that need completed.
- Program Profile Report
  - A new quarterly/monthly report will be sent by SSRS subscriptions to programs.
- Coming 18.2
  - Client Profile Address fix – will require that an address be entered before leaving the Contact page of the client profile.
- Choices Curriculum Discussion – how is it being used?
  - Pathways provides and processes the Choices booklet to all clients, and send it to distance treatment clients. Use it also with Concerned Person as an informational piece.
  - JRC – RoxAnne uses Choices is as part of concerned person and JD presentations.
    - JaMaine uses it some.
  - SASC – depends on the client, can be a great tool, use it as part of sessions/groups. Putting it down in writing is helpful for
  - HFS – uses for Pre-contemplative clients and in group settings, uses parts that are appropriate for groups.
  - Prelude – being used for discussion groups, and has been taken out to Casinos. Been helpful.
  - CFR – using CHOICES and No Dice
  - Do we do a 1 hour webinar on CHOICES and how it can be used. Let Eric and Bob know if there would be interest.
  - Criminal Justice/Forensic PPT project
- Increasing Program Enrollment
  - Self-Exclusion Tool Kit
    - HFS interested (Lorelle and Andrew)
